

# Contents

- 7 *Foreword*
- 9 *Bodil Bratlund & Berit Valentin Eriksen*  
Recent studies in the Final Palaeolithic of the European plain – an introduction
- 11 *Else Kolstrup*  
Some classical methods used for reconstruction of Lateglacial environments in the European plain: potentials and limitations
- 25 *Berit Valentin Eriksen*  
Reconsidering the geochronological framework of Lateglacial hunter-gatherer colonization of southern Scandinavia
- 43 *Agneta Åkerlund*  
Life without close neighbours. Some reflections on the first peopling of east Central Sweden
- 49 *Hans Kindgren*  
Tosskärr. Stenkyrka 94 revisited
- 61 *Lars Larsson, Ronnie Liljegren, Ola Magnell & Jonas Ekström*  
Archaeo-faunal aspects of bog finds from Hässleberga, southern Scania, Sweden
- 75 *Axel Degn Johansson*  
Late Palaeolithic settlement in South Zealand, eastern Denmark
- 85 *Guntis Eberhards & Ilga Zagorska*  
The environment and the earliest settlement of Latvia, East Baltic
- 91 *Jan Fiedorczuk & Romuald Schild*  
Wilczyce – a new late Magdalenian site in Poland
- 101 *Bodil Bratlund*  
The faunal remains from Wilczyce
- 109 *Jacek Kabaciński, Romuald Schild, Bodil Bratlund, Lucyna Kubiak-Martens, Kazimierz Tobolski, Klaas van der Borg & Anna Pazdur*  
The Lateglacial sequence at the Hamburgian site at Mirkowice: stratigraphy and geochronology
- 117 *Michał Kobusiewicz*  
Ahrensburgian and Sviderian: two different modes of adaptation?

- 123 *Clemens Pasda*  
A short note on man in the Allerød/Younger Dryas environment of Lower Lusatia (Brandenburg, Germany)
- 129 *Stephan Veil & Klaus Breest*  
The archaeological context of the art objects from the *Federmesser* site of Weitsche, Ldkr. Lüchow-Dannenberg, Lower Saxony (Germany) – a preliminary report
- 139 *Marc De Bie, Utsav A. Schurmans & Jean-Paul Caspar*  
On knapping spots and living areas: intra-site differentiation at Late Palaeolithic Rekem
- 165 *Philippe Crombé & Cyriel Verbruggen*  
The Lateglacial and early Postglacial occupation of northern Belgium: the evidence from Sandy Flanders
- 181 *Eelco Rensink*  
Late Palaeolithic sites in the Maas valley of the southern Netherlands: prospects, surveys and results
- 189 *Ebbe H. Nielsen*  
The Lateglacial settlement of the Central Swiss Plateau
- 203 *List of contributors*
